

Please read terms and conditions before proceeding with your application

These T&C's apply to the "Build a Biotech" Business Idea Competition 2022 run by the North West Biotech Initiative, a student-led society which is part of The University of Manchester's Students Union and funded by the Masood Entrepreneurship Centre.

General Rules/Guidelines

1. Eligibility and application:

- 1.1. The competition is open to all undergraduate students, postgraduate students, post-doctoral research associates and staff enrolled at any of the universities of the UK at least until June 2022.
- 1.2. Applications for the competition are accepted for teams of up to 5 people (teams of at least 2 people are required to avoid excess workload).
- 1.3. Each team must contain at least one student (undergraduate, masters or PhD)
- 1.4. Only one application per team is permitted.
- 1.5. To enter the competition the teams must fill in the application form and email it to manchester@nwbiotech.co.uk by **Friday 4th of March**.
- 1.6. The ideas must be the teams' own ideas.
- 1.7. The ideas must be novel and not presented in any other competition before.
- 1.8. The ideas must be related to the following topics, aiming to solve a problem:
 - **Global health and well-being**
 - **Climate change and sustainability**
- 1.9. The NW Biotech Initiative reserves the right to contact entrants to validate the entry information.
- 1.10. The applications which do not meet the above criteria will not be taken into evaluation or will be disqualified if any of the criteria are found to be breached during the course of the competition.

2. Fictional character of the competition and intellectual property rights:

- 2.1. Build a Biotech is a fictional start-up competition. Fictional ideas are expected and don't necessarily have to match with the research/study field of the participants.
- 2.2. The participants should be aware that all the ideas presented in the pitches will be disclosed to all the participants, mentors, judges and organizers of the competition, as well as potentially the general public.
- 2.3. Regardless of the fictional character of the competition, it is the responsibility of the applicant teams to take appropriate steps to protect the intellectual property rights in which the fictional idea might be based.
- 2.4. The North West Biotech Initiative is not responsible for any sort of intellectual property or copyright conflict that might arise from the utilisation of the fictional ideas' concepts presented in the competition as base for future real ideas.

3. First round - evaluation of applications:

- 3.1. The NBI committee will evaluate the application forms and the 10 best applications will be shortlisted.
- 3.2. The successful applicants (qualified teams) will be notified on the **9th of March**, and will receive the competition schedule and instructions on how to join the workshops, mentoring sessions and the competition day.
- 3.3. There can be no appeal against the decision of the committee and these decisions must be accepted as final.
- 3.4. The evaluation criteria may be provided upon request.

4. Second round: Workshops, mentorship session and competition day

- 4.1. All the sessions will be held *via* Zoom online platform.
- 4.2. The shortlisted applicants will attend the workshops, mentoring sessions, prepare the presentations and deliver a pitch to a panel of expert judges.

Workshops:

- 4.3. The workshops will take place on the **16th and 23rd March**. (See detailed schedule below).
- 4.4. The workshops will include “switched learning” sessions where the participants will discuss materials (papers and videos) sent out to them in advance.
- 4.5. Participants must find the time to read/watch/absorb these materials and be prepared to discuss them at the Workshops.
- 4.6. At least half of the team must ensure they can attend each of the workshops.

Mentoring sessions:

- 4.7. The mentoring sessions will take place **between the 24th March - 5th of April**.
- 4.8. Each team will be given a 1-hour mentorship session with an expert.
- 4.9. The time and date of the mentorship session will be arranged between the team and the expert.
- 4.10. The teams are free to ask any questions to the mentors and the mentors can provide feedback on pre-prepared presentations.
- 4.11. Contact details of the expert will be provided to the team upon their shortlisting.
- 4.12. At least half of the team must ensure they can attend the mentoring session.

Competition day:

- 4.13. On the day of the presentations, the judges will evaluate the pitches, select the winners and award the prizes to the three best teams.
- 4.14. Details on how to prepare the pitches will be provided in the workshop sessions.
- 4.15. The presentation slides must be presented in Microsoft PowerPoint format.
- 4.16. The presentation slides must be emailed to the organising committee before the day of the competition on the **5th of April**.
- 4.17. No further amendments will be allowed to the slides once the presentation has been sent.
- 4.18. All the teams will receive judging forms and anonymised written feedback after the event.
- 4.19. There can be no appeal against the decision of the judges and these decisions must be accepted as final.

- 4.20. The judges may decide to award joint prizes. If there are no entries of a sufficient quality, at the absolute discretion of the judges, the right not to award any prize is reserved.
- 4.21. The evaluation criteria may be provided upon request.
- 4.22. All the team must ensure they attend the competition. (See detailed schedule below.)

5. Rules on presentation/pitch and evaluation

- 5.1. The presentation/pitch must last no longer than 10 min.
- 5.2. The presentation/pitch will be followed by a 5 min Q&A session performed by the judges.
- 5.3. Both the presentation and the Q&A session will count for the judges' evaluation.
- 5.4. The application form will not be evaluated by the judges.
- 5.5. No copyrighted material allowed; teams can use open-source code and Creative Commons licensed images/videos.
- 5.6. Only team members listed on the application form can present.
- 5.7. Teams should get informed consent if images of people appear in the presentation.
- 5.8. Further information of how to prepare the presentations/pitches will be provided in the workshops.

6. Rules/Guidelines for judges:

6.1. Judging attitudes:¹

- 6.1.1. Mentorship – give constructive criticism as well as highlight strong points
- 6.1.2. Critique – evaluate projects comprehensively and evaluate impact
- 6.1.3. Fairness – judge teams on their own merits

6.2. Judging Protocol:²

- 6.2.1. Watch pitches/presentations
- 6.2.2. Quiz on pitches during the judging sessions
- 6.2.3. Fill in the judging form and award points to the teams
- 6.2.4. Votes of an individual judge represent their individual opinion, not a consensus of the judging panel. The organising committee will determine the winner based on the points from all judges in the judging forms
- 6.2.5. Judges are asked to write at least one positive comment and one constructive criticism in the judging forms provided. The comments will be anonymised before presenting them to the Teams
- 6.2.6. Judges award the prizes
